

RESCUE RANGER

Delivering Hope, One Ride at a Time

Rescue Ranger Utility Unit

The **Rescue Ranger Utility Unit** consists of a sidecar with large storage bin. The utility unit is based on the successful **Rescue Ranger** platform has a large number of uses in transporting of good, and is a great choice for small business because of its versatility. Business opportunities such as a pool cleaning service, a garden service, as small kiosk, grocery delivery, gas delivery, car wash or just transporting goods to name a few. The unit can also be made into a cooler if requested. We are also able to make any modifications to the unit that the customer may require, and can customize the decaling on the unit to the customer's requirement. The utility unit is a versatile option and is able to go on remote regions as it was designed to go on off road rough terrain. The utility unit is able to carry 2 people.
